

# PORTLAND INTERSCHOLASTIC LEAGUE HALL OF FAME

## Dear PIL Hall of Fame Members, Fans and Supporters,

With this, our Second Annual PIL Hall of Fame Newsletter, our hearts go out to everyone who has been impacted by COVID-19. The pandemic has created an unprecedented situation which affects us all. We would like to update you on how it has affected the PIL Hall of Fame.

After much discussion, thought and deliberation, the PIL Hall of Fame has decided to postpone the 2020 Mel Krause Memorial Golf Tournament, our biggest revenue generator.

We have also lost the revenue that accrues to the Hall of Fame from the Cambria Corp. Ladies' Professional Golf Association Tournament held in Portland each year. That event will not allow spectators this year and that eliminates the need for maintaining the on-course leaderboard that has been staffed by PIL Hall of Fame members.

The PIL Hall of Fame strives to honor and induct student-athlete alumni, laud current student-athlete success and offer financial assistance to the District athletic programs. In lieu of this year's Mel Krause Memorial Golf Tournament, we are asking you to consider a donation to the PIL Hall of Fame so that we can continue our mission. Please visit our website at [www.PilHallofFame.org](http://www.PilHallofFame.org) and click on the Donate icon. We plan on resuming the Golf Tournament in the Fall of 2021. Also, please see the letter from Steve Rudolph, our Golf Committee Chairperson, that is within this newsletter.

We have postponed this year's Induction Banquet. The 36 Inductees of the Class of 2020 will be inducted in the Fall of 2021. Please keep a watchful eye for our USPS mailings and emails for dates and times of next year's Golf Tournament and Induction banquet.

Marshall Haskins and Jeff Erdman report that the virus threat and shutdown of the high schools, has resulted in coaches positively reaching out to their teams, where they have worked on character development, positive attitude development, conditioning and education. Recently, the OSAA has adopted a revised School Activities Calendar for the upcoming school year. Traditional Winter sports will compete in January/February of 2021, traditional Fall sports will compete in March/April and traditional Spring sports will compete in May/June of 2021. For more details please visit [osaa.org](http://osaa.org).

Let us all assist the efforts of the Portland Public Schools Athletic Department to continue to provide opportunities for each student-athlete and to preserve and enhance the prominence of the Portland Interscholastic League. Thank you for your support!!

## 2020 Mel Krause Memorial PIL Golf Tournament Canceled

Sadly, we are forced to cancel this year's tournament due to the COVID-19 pandemic. As most of you know, this event is the PIL Hall of Fame's largest fundraiser with all proceeds going directly to support PIL athletics and the PIL recognition ceremonies supported by the PIL HOF.

Despite having to cancel, we are hoping you can still find it in your hearts to provide desperately needed financial support so we can continue to fulfill our mission of supporting the PIL community.

In the past we have accomplished our mission with your generosity at our golf tournament. We hope that this year will be no different. If you enjoyed playing golf, bidding on donated items at the auction and having a great time with your friends, we are hoping to continue that tradition this year, albeit in a different format.

We are asking for you to please make a donation in the same manner as you have in the past with a virtual \$135 green fee and/or a \$150 hole sponsorship. To get things started and to hopefully encourage you, the Harold and Margaret Taylor Foundation led by Bill Taylor is offering to match the first \$5000 dollars raised with a dollar for dollar match! PLEASE help us meet this match.

We hope you will be able to contribute whatever makes you feel comfortable to help us get past this year and include yourself in one of our donation categories per the following sponsorship levels. To make a contribution using a credit card, please go to our website [www.pilhalloffame.org](http://www.pilhalloffame.org) and click on the Virtual Golf link to donate. Or, write a check and mail to: PIL Hall of Fame, 9355 SW Camille Terrace Portland OR 97223-7042.

We want to express our sincere and heartfelt gratitude to all the merchants, business donors, sponsors, players and volunteers for your support in the past years and hope we can count on your support again this year. Our success cannot happen without you and we look forward to seeing all of you again in 2021 to continue this fabulous tradition. Please address any questions to Steve Rudolph at [rudu6@hotmail.com](mailto:rudu6@hotmail.com), 503-449-0438.

Also, if possible, please send us your email address so we can update our records. Please send to [pilhalloffame@gmail.com](mailto:pilhalloffame@gmail.com)

**Thanks again for your continued support!**

# HAROLD MARGARET AND BILL TAYLOR

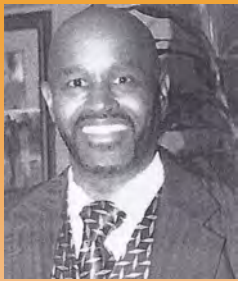

The Portland Interscholastic League Hall of Fame Board of Directors, all of its inductees and the schools that make up the PIL have been the beneficiaries of your support over the past several years. You have done so much from behind the scenes that we would like to take this opportunity to let everyone know how much your support has meant to our group and to tell you how much all that you do is appreciated.

Dear Reader,

It will come as no surprise to most of you that things in the Portland Interscholastic League Schools are not the same during these times due to Covid-19. The OSAA- the State Association in charge of setting sports seasons- has revised our traditional (3) seasons into a shorter-condensed version beginning in late December (the fall season will be a more restrictive summer style version based on individual school districts and county rules governing what can be done with student/athletes).

The PIL is committed to serving our student athletes by maintaining relationships through virtual team building curriculum and continuing our Character Development by supporting our relationship with Positive Coaching Alliance (PCA) by adopting a 4 Year Plan termed - G.R.I.T. Growth Mindset, Resilience, Integrity and Teamwork. Each of our (9) schools, and our youth teams, will have regular lessons on these characteristics as we navigate this unique upcoming year. Our individual school ADs and coaches are COMMITTED to finding opportunities to turn this pandemic into opportunities for growth in our student athletes.

Due to the pandemic, and many other reasons, the financial support to our schools and our league has been reduced. Things we used to take for granted as part of the PIL athletic fraternity now come at substantial cost covered only partially by fees that must be charged to participants. Those charges can serve as a barrier to participation for many potentially fine athletes. Providing opportunities to all student athletes is one of the reasons why the PIL Hall of Fame organization has become so important.

The PIL Hall of Fame mission calling to support the athletic programs in the PIL is critical to the perpetuation and growth of our many fine athletic programs. We rely on them, and you, to help us grow and develop stronger, more competitive programs. Facilities and equipment are aging and support staff is being reduced. Every school needs support and each athletic director can outline specific programs where your donation will be put to good use.

Additional information can be provided by any of the board members listed to the right of this message or you can email us at [pilhalloffame@gmail.com](mailto:pilhalloffame@gmail.com). We welcome your support to the league and your school.

Kindest regards,  
Marshall Haskins

## **MISSION STATEMENT:**

The mission of the PIL Hall of Fame is to provide support of high school athletic programs, develop financial support to improve existing facilities and support services, recognize and honor superior performances by athletes from the Portland Interscholastic League and to recognize, honor and support current coaches and athletic directors in their pursuit of excellence in their school's athletic programs and to build participation in those programs.
